MEMORANDUM

SMF-4J

DATE: April 11, 2003

SUBJECT: Conditional Approval of the *Second Revision* Quality Assurance/Sampling and Analysis (QA/SAPP) for the PRP-Lead Dead Creek Sediment Removal Action Mitigation Plan for the **Sauget Area 1 Site** in Sauget, Illinois

FROM: Richard L Byvik *Richard L Byvik*
Field Services Section (FSS)

TO: Nabil Fayoumi
Remedial Project Manager (RPM)

I recommend conditional approval of the *second revision* QA/SAPP for the PRP-lead Dead Creek Sediment Removal Action Mitigation Plan for the **Sauget Area 1 Site** in Sauget, Illinois. The subject QAPP was received by FSS on April 10, 2003, Log-in # 3004.

The conditions for approval are:

The revised Standard Operating Procedures from **Brooks Rand, LLC** (SOP #BR-0011) and **Battelle Memorial Sciences Laboratory** (SOP MSL-I-016-05) incorporating the responses in the Technical Report dated April 3, 2003, must be included in the QA/SAPP.

The term FUND-LEAD must be deleted from the title on the Signature page.

The Signature page has been signed and returned to the RPM along with the QA/SAPP.

cc: Steve Ostrodka, SMF-4J
